Together, we can stay healthier.

Follow these steps to help protect yourself and the Caltech community.

1. Mask on
   Wear a face covering indoors and outdoors

2. Spread out
   Maintain at least 6' of distance from anyone outside your household

3. Wash up
   Wash hands often and use hand sanitizer

4. Check-in
   If you work on campus, submit your COVID-19 symptom report every day

Protect our community.

If you are ill or have been exposed to COVID-19, please stay home. Caltech faculty, staff, and students: Call (626) 395-6393, so that a medical provider can evaluate your situation and provide you with further instructions.

United in keeping one another safe and well together.caltech.edu

Caltech's measures are designed to be in compliance with City of Pasadena, Los Angeles County, and Centers for Disease Control and Prevention guidelines.
